The love of God fills my heart with peace.

Do I see myself as limited in some way? I may think of myself as being less than I should be. However, I discover great inner peace when I understand that God sees me as I was created to be perfect in every way, not defined by events or circumstances.

God loves me the way I am. Although I change and grow from day to day, I will always be loved just as much as I am this minute.

Since God's love for me is immeasurable, I need never feel lost or alone. Even in the darkest moments, God is with me. Turning my attention to God, I feel at peace in the presence of pure love.

God, my greatest supporter, has absolute faith in me even when I seem to have none. I soar to new heights of achievement on the wings of God's love.

"I have loved you with an everlasting love."

Jeremiah 31:3
