My loving words and kind actions make a heart connection with others.

“In everything do to others as you would have them do to you”. This is the Golden Rule, and when I use it as the standard for all my actions, I cannot help but make a heart connection with the people whom I work, live, and interact with on a daily basis. Such a connection transcends disagreements, overcomes all obstacles, and promotes a universal language of love.

When my mind is filled with thoughts of God, my heart is filled with love. Then my words are naturally loving and kind. God is love. So as I speak loving words, I am inviting the spirit of God to speak through me to bless others.

When I follow the Golden Rule, I am following in the footsteps of the Master Teacher and speaking a language of the heart, a language of love.

“Out of the abundance of the heart the mouth speaks.”

Matthew 12:34
