***I am one with God in a union of spirit, life,  
and love.***

*Loving Spirit, teach me to do Your will. Guide my steps and show me how to bring more of Your light into my world.*

*Your loving presence fills me with all the love, light, and life I will ever need. Attuned to You, I am so aware of the blessings that each day offers.*

*You are in me, and I am in You. Our union is of the spirit, and Your presence is in every cell of my body and in the very air that I breathe.*

*I know how it feels to be truly alive as You live in me, love through me, and use me as an instrument of blessings for others.*

*O loving Spirit, I surrender to You and gladly listen for the sweet inspiration that You pour out to me. My soul sings with joy, for I know now, more than ever before, that it is Your presence within me that gives me true happiness and lasting peace.*
