***Oh, how beautiful, God, is the
assurance of Your love and peace!***

My times in prayer stir up peace within me that nourishes me with serenity even in the most stressful times. How beautiful is the assurance of God's love and peace in every moment of my life!

Each prayer is a reunion of my conscious awareness with the presence of God. Each time I reach a total awareness of God, I feel a surge of peace. And the beauty of it all is that God is always present in me and in my life.

Allowing the healing, soothing flow of peace to roll over me, I relax and discover new energy and creativity. I am amazed that what seemed like such a challenge only moments before I prayed has been replaced by my understanding of a solution all in a moment of peaceful prayer.

are the feet of the messenger who announces peace.”
