***Because God is my guide,
I accomplish great things.***

What is the secret to any achievement? Is it wanting something enough or deserving something more than another person? No, it is neither.

I experience a true breakthrough to achievement when I move past simple wanting and striving to a powerful belief that I can reach my goals.

I break through the barriers of negative thinking—thinking I can't do something or don't deserve something. I realize that with God as my guide and strength, I can accomplish great things.

Do I want to end some negative habit or begin a positive one? Then I can! I can because I believe in the power of God within me and I let this belief support me in all my activities.

“Jesus said to them, Do you believe that I am able to do this?...According to your faith let it be done to you.”

Matthew 9:28-29
