***“Merry Christmas and Happy New Year to all”***

***I joyfully declare my oneness in spirit with all  
humankind***

*Today, this very moment is the perfect time to renew my sense of oneness with all humankind. I begin by closing my eyes and seeing neighbor helping neighbor in times of need. I envision children laughing and playing together in perfect harmony. I picture caring people from every nation holding hands, encircling the earth. I see each person allowing God to speak through him or her so that love and compassion reign.*

*I give thanks for the opportunity to be a loving brother or sister to those closest to me as well as to those in the farthest reaches of the world. I know there is no separation between us, no barrier or boundary that the love of God cannot overcome.*

*Renewed in spirit and filled with thoughts of love, I declare my oneness in spirit with all humankind.*
