***I am blessed to be a part of
God's glorious world!***

How can I not feel the presence of God whenever I take the time to appreciate the beauty and wonder of God's world?

Whether I am listening to the sounds of the ocean crashing over rocks, feeling the tranquility of a mountain lake, or simply observing the flowers growing in my own backyard, I experience a sense of wonder. Planet earth is my home, a home to a world of magnificent creations.

My heart is filled with joy and gratitude for I know that God, the creator of this glorious earth, also created me. I feel privileged to be a part of God's world.

Each day, no matter where I am or what I am doing, I take time to give thanks for the presence of God in the midst of the diverse and beautiful world in which I live.

***"The earth is the Lord's and all that is in it,
the world, and those who live in it."
