***I remain ever one in spirit
with God and with my loved ones***

Some of my greatest treasures are keepsakes that remind me of my loved ones. Looking at photographs, letters, and cards stirs up memories of people who are dear to my heart.

The images of loved ones in photographs remain forever young, although the people I love and cherish may have aged and even passed away. The real truth about these people about all people, cannot be captured by a camera.

We are all forever young in spirit! As spiritual beings, we do take on physical form. Although the physical form is changeable, spirit is eternal. We are eternally alive in spirit!

More than memories connect me with my loved ones. I remain forever one in spirit with God and with my loved ones/

“I am with you always.”

Matthew 28:20
