## ***God's grace is active in my life***

*When I think of the wonder of God's grace, I feel a surge of love and appreciation moving through me. Oh what gifts God has given to the world!*

*One gift that comes to mind is the magnificent planet earth. In my own home and community, there are cherished family and friends who are examples of God's grace in action. In fact, every breath I take is a gift from God.*

*Grace gives me all the joy, peace, and love I can fill myself with and the abundant more that is left over. Grace is the assurance that no matter what I do, God is there for me, accepting me and loving me. Knowing that God's grace is active in my life, I can meet any situation with faith. I know without a doubt that God's grace is active in my life and is a gift of love that keeps on giving.*

***“By the grace of God I am what I am,  
and his grace toward me has not been in vain.”***

***1 Corinthians 15:10***
